

# Outdoor LED Screen

Our outdoor LED screen is a fantastic option for hosting daytime events.

These high-quality screens are **completely portable**, and are a great way to show live sporting events, concerts, advertisements, or other video or graphics of your choosing! The LED screen comes in a **self-contained trailer**, allowing for a minimal set-up time of approximately 15 minutes.

**We simply drive the screen up and it's ready to play!**

THE UNIT ALLOWS FOR

- ⊕ **MAXIMUM PORTABILITY** Comes complete with an on-board generator allowing it to be set-up in any location, without any external power needed.
- ⊕ **MINIMAL SET-UP TIME** The screen comes assembled and pre-wired in a trailer allowing for a short set-up time of just 15 minutes.
- ⊕ **HIGH-QUALITY SOUND & VIDEO** Offers cutting-edge LED display technology and design quality, as well as 800 watts of state-of-the-art sound.
- ⊕ **360 SCREEN ROTATION** The screen easily adjusts to face your audience and fit your viewing setting
- ⊕ **LONG-RANGE VIEWING** The sharp, clear image allows for exceptional viewing from both faraway and close-up and is sure to catch the eye of any passer-by!
